

The objective of the Quality Assurance program is to promote competence and professionalism at all stages of a dentist's, CDA's or a dental therapist's career. To be eligible for credit, activities must have significant intellectual and/or practical content related to the practice of dentistry and/or the management of the dental practice. Activities can also be related to the professional responsibilities or ethical obligations of the participant.

Online submission – please note that the **most efficient** way to submit CE credits is through your online account. Log in to your registrant account at www.cdsbc.org and follow the steps to submit CE credits online.
